SPECIAL NOTE: Due to the Covid-19 pandemic, all courses were online in the Fall/Winter 2020-2021 term as well as in the Winter 2021 term, some with alternative methods of assessment. For eligible courses, students were given the options of retaining their final letter grade for one course or replacing it with a PASS notation, or discontinuing the course(s). As such, class averages have not been calculated for this term. These events may also have caused delays in program completion.
